The children have watched the leaves change as well as doing fall projects which incorporated leaves and/or the colors of fall. Teachers and children have had a lot of fun with Halloween songs, games, stories, and projects. Of course the parties and parade were the most fun of all for everyone.

CURRICULUM FOR NOVEMBER / DECEMBER

November is a great month to discuss nutrition. In class, teachers and children will discuss which food is good for us. Around this theme, the teachers have planned art projects, finger plays, songs, and games. In the Yellow Room, the firehouse will be replaced with a grocery store where healthy pretend food will be sold.

Another emphasis will be Thanksgiving. We will talk about the first Thanksgiving as well as discuss the things for which we are grateful. Our Thanksgiving Celebration will be a time of sharing and giving thanks. The children will dress as Native Americans with hats made in school and the teachers will dress as pilgrims. As was true of the first Thanksgiving, each person will have the opportunity to contribute to the feast. The children will be asked to bring a piece of fruit to put into a fruit salad.

Our annual Christmas program will be a sing along. Our hope is that the program will be a fun time for both the children and adults. The children will be singing favorite Christmas songs. Parents, grandparents, siblings, and other family members are invited to attend and join the fun.

Letter of the Week

In all classes, the teachers try to center on an activity, project or game on the different letters of the alphabet. In November and December, the letters will be Tt, Aa, Hh and Mm.

HELPING PARENT

In November, our "Helping Parent" program begins. Parents and grandparents are welcome to join in the fun once a month. You may bring a favorite story or activity, or simply come to enjoy your child with their school friends and activities. Check your teacher's bulletin board for the sign-up sheet.

ILLNESS

Thank you to all the parents who call when your child cannot attend class. The teachers are interested in your child and appreciate knowing the reason your child is not in class. The school phone number is 973-694-3417.

SCHOOL CLOSING:

Whenever Wayne schools are closed due to inclement weather and road conditions, Rainbow Nursery School will be closed. When Wayne has a delayed opening, classes will begin at 10 a.m. at Rainbow Nursery School.

Also, when classes are cancelled, someone from the school will attempt to contact morning parents by phone, between 7:30 and 8:00 a.m. Afternoon parents will be phoned between 9:00 and 9:30.

2019-2020 Registration:

Look for 2019-2020 registration information in early January.
